

NORTHERN KENTUCKY RIGHT TO LIFE NOVEMBER 7, 2006 ELECTION CANDIDATE QUESTIONNAIRE

Pursuant to our long-standing policy of bringing to the public the views (and records) of candidates for public office, on these crucial "Life" issues, NKRTL sent questionnaires to candidates seeking office in the election of November 7, 2006. After furnishing them background information concerning the issues, NKRTL advised them that their response (or the fact of their non-response, which could only be interpreted as unfavorable in that they either oppose its positions or are disinterested in these vital issues) would be published.

All need to consider the following three realities:

Q: HOW IS THE KILLING MACHINE KEPT IN PLACE? ANSWER: BY LAWS.

Q: WHO KEEPS THOSE KILLING LAWS IN PLACE? ANSWER: PUBLIC OFFICIALS, ELECTED AND APPOINTED.

Q: HOW THEN CAN ONE, WHO PUTS IN OFFICE OFFICIALS WHO KEEP THE KILLING GOING, CLAIM TO BE PRO-LIFE? ANSWER: THEY CAN'T.

ACTIONS DO HAVE CONSEQUENCES! WHAT WE DO IS A BETTER GUIDE TO WHO WE ARE AND WHAT WE BELIEVE THAN WHAT WE SAY!

1. Will you actively support (and if in a position to do so, sponsor and vote for) a mandatory Human Life Amendment to the U.S. Constitution and to the Kentucky Constitution, which would codify the personhood of an unborn child from the moment of fertilization, and which would hold that all innocent human beings have the same right to life, from fertilization until natural death?
2. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which will make it a criminal offense to perform, to assist with, or to pay for an abortion on another (such legislation would not prohibit those necessary medical procedures required to prevent the death of the mother who is suffering from a physical pathology such as ectopic pregnancy or cancerous uterus)?
3. Will you actively support (and if in a position to do so, sponsor and vote for) legislation preventing: (a) the use of tissue and organs from deliberately aborted children; (b) the use or destruction of live embryos for the purpose of extracting stem cells, for transplants or medical experimentations; (c) human cloning, whether for the purpose of development and bringing to full term a new human being, or for the purpose of development of a new human being for experimentation, or for the purpose of obtaining body parts or stem cells; and (d) the public funding of any of these activities?
4. Will you actively oppose (and if in a position to do so, work against and vote against) legislation mandating health insurance coverage of abortion (both surgical and chemical) and contraception?
5. Will you actively oppose (and if in a position to do so, work against and vote against) any legislation which would allow the withdrawal from an infant, incompetent, or comatose person of food and water, regardless of how the food or water is provided (except in the case where death is imminent and the patient cannot assimilate food or water)?
6. Will you actively oppose (and if in a position to do so, vote against) any legislation, administrative regulations, or initiatives of any type, which would decriminalize assisting or abetting someone in killing themselves (often referred to as "assisted suicide")?
7. Will you actively support (and if in a position to do so, sponsor and vote for) legislation requiring that the same medical treatment and the same standard of medical care be provided handicapped persons, and that the decisions of whether to treat a handicapped person must be made on strictly medical grounds and not on speculations about the person's future "quality of life"?
8. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which prohibits all use of local state, federal, and/or Medicare or Medicaid funds for abortion (including chemical abortions, such as RU-486, or the so-called "morning after pill," Norplant, Depo Provera, or the so-called "standard birth control pill")?
9. If there should come before you the question of appointment or confirmation of an individual to any board, agency, or committee, etc., which does or could perform, counsel, refer, or fund abortion (including chemical abortions, such as RU-486, and the so-called "morning after pill," Norplant, Depo Provera, and the so-called "standard birth control pill"), will you nominate or confirm ~~only individuals~~ (1) who refuse to perform, counsel, refer, or fund any surgical or chemical abortion and (2) who refuse to support, vote for, or fund any government or private agency that would perform, counsel, refer, or fund any surgical or chemical abortion?
10. If you become involved in the legislative process, would you take the initiative to compel a recorded vote on all Pro-Life legislation, whether by discharge petition or whatever other parliamentary practice is available?
11. Will you refuse to support in any manner a candidate for any public office, who publicly states acceptance of the current status of legalized abortion, or who fails to disclose his position on the issue of abortion, or who has, as a public official, a record of support for abortion or of failing to oppose it, or who supports any of the above anti-life activities?

NKRTL-PAC ENDORSEMENTS AND/OR RECOMMENDATIONS

Northern Kentucky Right to Life Political Action Committee has issued **Endorsements and/or Recommendations** of some candidates in the **upcoming election of November 7, 2006**. These are based not only on the stated public positions of the candidates, including their answers to NKRTL's questionnaire, but also their past public records: Based upon the firm belief that what one has done is entitled to significantly more consideration than what one says ("By their fruits, ye shall know them ..." Matthew 7:16), NKRTL undertakes herein to publish what it knows of the public record of these candidates, whether they are incumbents or those seeking office for the first time.

The gravity of the surgical slaughter of 4,400 innocent children each day — one every 20 seconds — demands that we ask of every citizen, particularly those aspiring to public office: “What are you doing to stop the killing?”

If a candidate supported terrorism, would you bother to ask him where he stands on other issues???

NKRTL-PAC does not necessarily make Endorsements and/or Recommendations in every race. NKRTL-PAC never endorses a candidate unless he is 100% Pro-Life, with no exceptions. Sometimes, when NKRTL-PAC considers a candidate superior to the rest of the field, it will make a Recommendation, even though the candidate falls short of its 100% standard for Endorsement.

NKRTL must point out to the reader that some candidates have taken it upon themselves to modify our questions, thereby failing to answer them specifically, and indeed making exceptions of their own, while simultaneously attempting to answer “yes,” to attempt to present a Pro-Life position. Since the candidate has not answered “no,” and their response cannot be truly reported as “yes” after they have modified or imposed conditions of their own, NKRTL has appropriately reported those evasive answers with an asterisk (*). They failed to answer the questions as asked. Such action by the candidate deprives the voter of information on the candidate’s position on the issues which the candidate avoided answering.

U.S. REPRESENTATIVE

While both candidates gave 100 percent Pro-Life answers to the questionnaire, **Rep. Davis (R)** has a 100 percent Pro-Life voting record, whereas **Mr. Lucas (D)** does not have such a record. In fact, the first year that Mr. Lucas served in Congress, in 1999, he was the only member of the Kentucky delegation that did not have a 100 percent Pro-Life voting record in Congress. In addition, Mr. Lucas, as County Judge of Boone County, prior to running for Congress, appointed pro-abortion delegates to the Northern Kentucky Independent District Health Department, and ignored our multiple requests to him to use his influence with them to cast Pro-Life votes against the furnishing by the District of abortifacient chemicals to underage children who were furnished these without even notice to their parents. In addition, Mr. Lucas has a long record of financial contributions to stridently pro-abortion politicians, including former **Congressman Scotty Baesler, Paul Patton, Nick Clooney**, and appeared on public television endorsing the candidacy for president of the United States of the strong pro-abortionist **Al Gore**, who guaranteed that if elected he would not appoint anyone to the Supreme Court unless they openly committed to a pro-abortion position favoring *Roe v. Wade*.

The differences between the candidates are clear. **NKRTL-PAC endorses the reelection of Congressman Geoff Davis (R).**

STATE SENATOR - 24TH DISTRICT

NKRTL-PAC endorses the reelection of State Senator Katie Kratz Stine (R), who has a 100 percent Pro-Life voting record in the Kentucky General Assembly and in fact has been one of the strong leaders on behalf of Pro-Life legislation there.

STATE REPRESENTATIVE - 60TH DISTRICT

NKRTL-PAC endorses the election of Sal Santoro (R), based upon his 100 percent Pro-Life answers to the questionnaire.

STATE REPRESENTATIVE - 64TH DISTRICT

NKRTL-PAC endorses the reelection of Rep. Thomas Robert Kerr (R), who has a strong Pro-Life voting record and indeed leadership record in the Kentucky General Assembly.

STATE REPRESENTATIVE - 66TH DISTRICT

NKRTL-PAC endorses the reelection of Rep. Addia Kathryn Wuchner (R), who has a strong Pro-Life voting record and indeed leadership record in the Kentucky General Assembly.

STATE REPRESENTATIVE - 68TH DISTRICT

NKRTL-PAC endorses the reelection of Rep. Joseph M. Fischer (R), who has a strong Pro-Life voting record and indeed leadership record in the Kentucky General Assembly.

~~~~~

*“No cause takes precedence over the preservation of innocent human life. It would be irresponsible for us to claim to be pro-life while voting for candidates who support the right to abortion.”* **Bishop John Smith, Trenton, New Jersey**

#### **STATE REPRESENTATIVE - 69<sup>TH</sup> DISTRICT**

In the Republican primary, Pro-Life activist **Bernard Kunkel (R)** was defeated by about 100 votes by pro-abortion **Adam Koenig (R)** who, unfortunately, was endorsed by **U.S. Senator Jim Bunning** and called “a true conservative who will represent the people of the 69<sup>th</sup> district well in Frankfort.” It was obviously of no importance to Senator Bunning that Mr. Koenig not only has a pro-abortion voting record, but has publicly demonstrated his lack of concern for the truth on at least two occasions. While Koenig did not answer our questionnaire this time, he did answer it in his previous election race to the seat of Kenton County Commissioner, and guaranteed that he would not support public funding of condoms for kids and abortifacient drugs distributed to children with taxpayers’ dollars without even notification to the parents. Within two months of that commitment, he broke it and voted against the position of NKRTL at the Kenton County Fiscal Court, where we advocated a resolution that the Fiscal Court bar the use of public funds for such sordid activities. These sad but true evidences of intellectual dishonesty and political immorality were documented in the public records of the Kenton County Fiscal Court, and the incredible diatribe and breach of honor was recorded on tape and shown on Insight Cable Channel 17 in May of 2002.

Mr. Koenig has demonstrated his untrustworthiness and indeed unfitness for public office. Mr. Bunning will clearly have on his hands the consequences of his immoral and obviously crucial endorsement in sending to the state legislature such an obviously unfit and untrustworthy person.

**STATE REPRESENTATIVE - 79<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses the election of Mike Farmer (R).

**BOONE COUNTY**

**BOONE COUNTY JUDGE-EXECUTIVE**

NKRTL-PAC endorses the reelection of Boone County Judge-Executive Gary W. Moore (R), who has been a forthright and consistent supporter of all right-to-life issues. Judge Moore promised to appoint Pro-Lifers to the Northern Kentucky Independent District Health Department Board, and fulfilled his promise, contrary to the Judge-Executive candidates elected in that same election cycle (Murgatroyd from Kenton County and Pendery from Campbell County, who promptly broke their promises). Mr. Moore is a Pro-Lifer and indeed a person of great personal integrity who deserves reelection.

**BOONE COUNTY COMMISSIONER DISTRICT #1**

NKRTL-PAC endorses the reelection of Commissioner Cathy Hudson Flaig (R).

**BOONE COUNTY SHERIFF**

NKRTL-PAC endorses the election of Michael A. Helmig (R).

**BOONE COUNTY CLERK**

NKRTL-PAC endorses the election of Edward Moore (R).

**CAMPBELL COUNTY**

**CAMPBELL COUNTY JUDGE-EXECUTIVE**

Incumbent Campbell County Judge-Executive Steve Pendery (R) did not answer our questionnaire this year. In the previous election cycle, he answered it with all favorable answers, but promptly violated his commitment by appointing pro-abort voting members to the Northern Kentucky Independent District Health Department Board, and then Pendery personally came out strongly in favor of the distribution of these abortifacient chemicals to minors without even notice to their parents.

Newport Mayor Tom Guidugli (D) also did not answer our questionnaire. He had one appointment to the Health Board, and appointed a person who cast a Pro-Life vote. On the other hand, Mayor Guidugli has made financial contributions to our past pro-abortion Governor Paul Patton.

Lloyd Rogers (I) has a mixed past record, sometimes supporting pro-abortion candidates for public office.

**CAMPBELL COUNTY COMMISSIONER DISTRICT #1**

NKRTL-PAC endorses Mark Hayden (R).

**CAMPBELL COUNTY COMMISSIONER DISTRICT #2**

Incumbent Commissioner Dave Otto (D) has a long and strong record of making financial contributions to politicians who support the killing of unborn babies, including former Governor Paul Patton and former attorney general and now Congressman Ben Chandler.

NKRTL-PAC endorses Peter Garrett (R), who is a supporting member of NKRTL and supports only Pro-Life candidates for public office.

**CAMPBELL CIRCUIT COURT CLERK**

NKRTL-PAC endorses the election of Timothy J. Fischer (R).

**CAMPBELL COUNTY JAILER**

NKRTL-PAC endorses the election of James Lee Sawyer (R).

KENTON COUNTY

KENTON COUNTY ATTORNEY

While both incumbent County Attorney Garry Edmondson (R) and opponent Donald L. Nageleisen (D) have made 100 percent Pro-Life answers to the questions, Mr. Edmondson has a record of performance in being an active member of NKRTL, attending its functions, and supporting its statewide legislative program in the General Assembly. NKRTL-PAC endorses the reelection of Garry Edmondson (R).

KENTON COUNTY SHERIFF

NKRTL-PAC endorses the reelection of Chuck L. Korzenborn (R). Sheriff Korzenborn is a member of NKRTL and attends its functions.

KENTON CIRCUIT COURT CLERK

NKRTL-PAC endorses the election of John Middleton (R).

KENTON COUNTY CLERK

NKRTL-PAC endorses the election of Rodney E. Eldridge (R).

KENTON COUNTY PROPERTY VALUATION ADMINISTRATOR (PVA)
NKRTL-PAC endorses the election of Joan A. Davidson (R).

JUDICIAL RACES

There has existed for a long time considerable confusion on the issue as to how far judicial candidates may go in expressing their views on issues of public interest. Clearly, they are prohibited from specifically stating how they would decide a particular case that might be brought in front of them. On the other hand, there are judicial decisions which have overruled some of the Bar Association Canons of Judicial Ethics, and held that a judicial candidate is free to express his moral views generally.

Because of this confusion, NKRTL has never sent questionnaires to candidates for judicial office, but has commented as to any known and outstanding features of their past public records which might touch upon the issues crucial to our readers.

This year, we have sent an invitation to all the judicial candidates to inform us, if they wish, of any Pro-Life activities in which they have been involved: "Please state the activities in which you have been involved, the organizations of which you are a member, and the events you have attended that directly advance the Judeo-Christian principle of the sanctity of all innocent human life, which are under attack by the intrinsic evils of abortion, infanticide, and euthanasia."

Some of the candidates responded, and others did not. Based on this information, and what has been known public generally about them, NKRTL makes the following endorsements and comments as to some of the races:

KENTUCKY SUPREME COURT

NKRTL-PAC genuinely regrets the retirement of **Justice Donald C. Wintersheimer**, who has served from this district on the Kentucky Supreme Court for many years, and who has been a strong and articulate vote on the Court in defense of the sanctity of innocent human life. We wish him well in retirement.

There are two candidates seeking election to this seat: **Marcus Carey** and **Judge Wil Schroder**.

Mr. Carey reports that he hosted a weekly talk radio show for two years, making the case for adoption instead of abortion, and for respecting life at all stages. He has also supported the New Hope Problem Pregnancy Center.

Judge Wil Schroder currently serves on the Kentucky Court of Appeals. There is no record of his ever having been involved in the Pro-Life movement, although he has supported pro-abortion candidates in Kentucky gubernatorial races, including **Martha Layne Collins** and **John Y. Brown**.

Clearly, it is morally and logically inconsistent for one to work for the election of a politician who is committed to the killing of unborn babies, and simultaneously claim to be Pro-Life.

The contrast between these two candidates is clear. **NKRTL-PAC endorses Mr. Carey** for election to the Kentucky Supreme Court.

KENTUCKY COURT OF APPEALS - 6th DISTRICT, DIVISION 1

Judge Daniel Guidugli, the current holder of this office, is retiring. His name will appear on the ballot since he did not make public his announcement to retire until after the filing date passed. The two candidates actively contesting the seat are **Michelle Keller** and **Owen Kennedy**.

Mr. Kennedy is a member of NKRTL and has attended its functions. He has served for several years as Staff Attorney for Kentucky Supreme Court Justice Donald Wintersheimer. He has also been a member of Lawyers for Life, a Pro-Life legal organization in the Greater Cincinnati/ Northern Kentucky area.

Mrs. Keller's public record contains many distinct anti-life highlights. She has a record of political donations to such strident pro-abortion candidates as **former Congressman Scotty Baesler**, congressional candidate **Nick Clooney**, and **former Congressman Kenneth Lucas**. In fact, her public activities have been distinctly anti-life. A few years ago, she was Chairman of the Diocesan Catholic Childrens Home Board of Directors, which had invited as its principal speaker to a fund-raising banquet our stridently pro-abortion governor, Paul Patton. When many members of the community, including NKRTL, complained about this to **then-Bishop Robert Muench**, the bishop ordered the Board of Directors to cancel Mr. Patton's invitation. This was followed with prompt public rebuke of the bishop by Mrs. Keller, who then resigned with a public protest announcement identifying as the reason for her resignation the withdrawal of Mr. Patton's invitation.

As was pointed out in an appropriately sarcastic opinion by **Supreme Court Justice Antonin Scalia**, denying suit by a police officer fired for applauding the killing of a fellow officer by a criminal: "You can't ride with the cops, and root for the robbers!"

NKRTL-PAC endorses the election of Owen Kennedy to the Kentucky Court of Appeals, 6th District, Division 1 .

7

KENTUCKY COURT OF APPEALS - 6th DISTRICT, DIVISION 2

This is the seat being vacated by **Judge Schroder**, who is seeking election to the Kentucky Supreme Court. There are two candidates: **James A. Kidney** and **Joy Moore**. There is no record of Mr. Kidney's ever been involved with the Pro-Life movement.

Mrs. Moore, on the other hand, together with her husband Gary Moore, who is Boone County Judge-Executive, have been for some time active members of NKRTL and attend its functions, and have played a leadership role in attempting to develop Pro-Life policies at the level of the Northern Kentucky Independent District Health Department Board. Mrs. Moore also has served in the local Life Chain, public demonstration in defense of innocent human life, and has supported New Hope Problem Pregnancy Center.

NKRTL-PAC endorses the election of Mrs. Joy Moore to the Kentucky Court of Appeals, 6th District, Division 2.

KENTON CIRCUIT COURT, FAMILY DIVISION

There is no incumbent in this office. The two candidates seeking election are **Chris Mehling** and **Dan Zalla**.

While neither of these candidates has any record of specific affiliation with the Pro-Life movement, Mr. Mehling does have a long and strong record of political contributions to known pro-abortion candidates, including former **Attorney General (now Congressman) Ben Chandler**, former **Congressman Scotty Baesler**, and congressional candidate **Nick Clooney**.

NKRTL-PAC endorses Dan Zalla for election to the Kentucky Circuit Court, Family Division.

~~~~~  
*"I am committed never again to cast a vote for a politician who would kill one innocent baby. These little ones have no defense except that which we provide for them. Never will I use my influence, however remotely, to support the shedding of their blood."* **Dr. James Dobson, Founder of Focus on the Family**
