

NORTHERN KENTUCKY RIGHT TO LIFE

The March for Life January 22, 2008

On this thirty-fifth anniversary of the infamous decision of the Supreme Court exercising its raw judicial power over the lives of the defenseless unborn, we join with a multitude of others in many cities across this nation, to carry the message of Life to President George W. Bush and to the 110th Congress.

As much as we would like to be there, for many it is impossible to travel to Washington. Again, we March on Paper. We openly lend our names to urge The Adoption of a Mandatory Human Life Amendment to the Constitution of the United States of America.

We pledge to strive to attain that goal in memorial of those little ones who have no identity and bear no names but nonetheless are written on the consciences of all Americans. We are all manner of people - We are Democrats, Republicans, Independents, Conservatives, Liberals and all the shades in between.

The beautiful red rose, symbol of short life and martyrdom, will again bloom in Washington January 22.

WE HAVE TAKEN A STAND! WE WILL NOT COMPROMISE! AND WE WILL BE HEARD!
