Your Excellency:

We are writing formally to apply for a seat at the table on behalf of Northern Kentucky Right to Life at the upcoming Diocesan Synod.

Your comments based upon our detailed documentation of our 32-year stewardship acknowledges that NKRTL has had faithful, dedicated, and courageous commitment to the core principles of the Roman Catholic Church. We would hope that that record warrants representation at the Synod.

Respectfully,

For the Northern Kentucky Right To Life Board of Directors,  
by its Executive Committee
