Dear Bishop Foys and Sr. Elaine Marie:

A few parents have brought to our attention that the enclosed papers were recently distributed by a member of the faculty to the students at Notre Dame Academy, recommending a variety of institutions to which the girls may contribute their volunteered services.

One of the recommended agencies is the Planned Parenthood abortuary in Mt. Auburn.

As you know, Planned Parenthood is the largest volume killer of unborn babies in the United States, and that particular location is the subject of Pro-Life prayer warriors peaceful prayer witnessing six days a week. It is incredible that a Catholic school would be advocating that Catholic girls donate services to such an agency.

We bring this matter to your attention in order that you may investigate the situation and to address this scandal so that the young ladies at Notre Dame Academy and their families are not misled into thinking that Notre Dame Academy or the Diocese of Covington in any way support or would encourage anyone else to support the overwhelming moral evil of Planned Parenthood.
