

NORTHERN KENTUCKY RIGHT TO LIFE

The March for Life January 22, 2018

On this 45th anniversary of the infamous decision of the Supreme Court exercising its raw judicial power over the lives of the defenseless unborn, we join with a multitude of others in many cities across this nation, to carry the message of Life to President Donald Trump and to the 145th Congress. We join the over 100,000 people who marched in a circle of life around the capitol in Washington DC on January 19.

As much as we would like to be there, for many it is impossible to travel to Washington. Again, we March on Paper. We openly lend our names to urge The adoption of a mandatory Human Life Amendment to the Constitution of the United States of America.

WE HAVE TAKEN A STAND!
WE WILL NOT COMPROMISE!
AND WE WILL BE HEARD!

Denial of the Personhood of the Unborn Child is a Lie

The threshold and fatal flaw of Roe v. Wade is that the Court failed to recognize the constitutional personhood of the unborn child within the meaning of the due process and equal protection of the law clauses of the Fourteenth Amendment to the U.S. Constitution.

Reversing Roe

It is an impotent and clueless society which tells us that the remedy for such atrocity as Roe v. Wade is for the Supreme Court to refer the matter back to the states for their individual decision making, which would tragically reinforce the hollow and indeed fatal principle that "the State giveth, and the State may taketh away!"

The U.S. Supreme Court should acknowledge the fact that the unborn child is a person under the U.S. Constitution, because, biologically speaking, such a child is, in fact, an existing person, a living human being, a member of the human family entitled to the same constitutional rights of due process and equal protection of the law as all of us.

No legislative body, or court, has the constitutional right to legalize the destruction of an innocent human life. The unborn child, like all of us, has an inalienable right to life bestowed upon him or her by our Creator.
