MOTHER'S DAY - SUNDAY, MAY 8, 2022

"Mothers are for loving"
By the late **Judith Whaley**,
Board member of NKRTL

***The most important person on earth
is a mother.***

The Most Important Person on earth is a mother. She cannot claim the honor of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral - a dwelling for an immortal soul, the tiny perfection of her baby's body...The angels have not been blessed with such a grace. They cannot share in God's creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creature; God joins forces with mothers in performing this act of creation...What on God's good earth is more glorious than this: to be a mother?
~Joseph Cardinal Mindszenty of Hungary

From *The First Nine Months*

Day 21

"The heart begins to beat."

Day 40

"Brain waves can be detected and recorded."

Week 6

"The liver is now taking over the production of blood cells, and the brain begins to control movement of muscles and organs. The mother is about to miss her second period and has probably confirmed that she is pregnant."

Week 8

"At a little more than an inch long, the developing life is now called a fetus - Latin for 'young one' or 'offspring.' Everything is now present that will be found in a fully developed adult. The heart has been beating for more than a month, the stomach produces digestive juices, and the kidneys have begun to form. Forty muscle sets begin to operate in conjunction with the nervous system. The fetus' body responds to touch, although the mother will not be able to feel movement until the fourth or fifth month."

~ Donations Made by NKRTL ~

As previously announced, NKRTL donated 10% of its net proceeds to four charities: **Rose Garden Mission, Madonna House, New Hope Center, and Care Net Pregnancy Services of Northern Kentucky.**

NKRTL is always honored to stand up for those who stand up for life, and did send to each of these pro-life organizations a check for \$675.00, in order to support and encourage their ministries.

COURT REINSTATES BAN ON ABORTING CHILDREN WITH DISABILITIES

“Unborn children are the only group of people who can be discriminated against because of their race, gender, or disability,” states **President of Tennessee Right to Life Stacy Dunn**. “The Sixth Circuit has taken a huge step in allowing Tennesseans to end the violence on those who are targeted in our society.”

In July, 2020, Tennessee enacted a ban on abortion based specifically on the child’s race, sex, or prenatal diagnosis of a disability, such as Down syndrome. The same day, the **American Civil Liberties Union** and **Planned Parenthood Federation of America** successfully obtained from a U.S. district judge a temporary restraining order against the enforcement of this Tennessee law.

However, the **U.S. Sixth Circuit Court of Appeals** (covering Michigan, Ohio, Kentucky, and Tennessee) this February lifted the lower court’s injunction, reinstating the ban. The case still has to be decided on its merits.

“How many times have you heard people say, ‘I don’t approve of abortion except in cases of rape, incest, and birth defects,’” spoke **Christi Hockel**, a woman with Down syndrome, at the **2022 Walk for Life West Coast Rally**, as reported by *lifeneews.com*. She continued: “Those people think I am a birth defect, a baby who’s simply eliminated because I have Down syndrome. But it also has made my whole life exceptional. And my exceptional life has been full and fulfilling.”

IS LOUISVILLE GOVERNED BY BIGOTS?

A year ago, **Matthew Schrenger**, a 13-year veteran of the **Louisville Metro Police Department** and a father of four, was participating in **40 Days for Life**. The off-duty police officer prayed at **EMW Women’s Surgical Center**, the state’s only licensed abortion mill. As surveillance footage showed, at 6 a.m. on February 20, 2021, when the facility was closed, he prayed while holding a sign which read “Pray to End Abortion.”

Although he had received multiple commendations over his more than a decade of service, he was placed on administrative leave and “lost a substantial amount of pay, which he relies on to support his wife and four young children,” reported *The Daily Wire*.

A suit, brought in the federal court by Schrenger, named **Police Chief Erika Shields**, the **Louisville Metro Police Department**, **Mayor Greg Fischer**, and the **City of Louisville** as defendants, who then quickly settled for \$75,000.

Matt Heffron with the Thomas More Society, who was the guest speaker at the 2016 **43rd Northern Kentucky Right to Life Celebration for Life**, stated: “The unfair discipline revealed undeniably content-based discrimination against Officer Schrenger’s personal pro-life views and violated his First Amendment rights,” adding that the Catholic cop “did not engage in any political protest on duty” but merely “prayed quietly.”

Heffron noted that the officer’s religious beliefs and political views were the basis of the city’s disciplinary action, while on the other hand, the department had not “taken disciplinary action against on-duty, uniformed officers who marched with Black Lives Matter protectors and in LGBT parades. Schrenger was treated very differently than other officers who had undeniably engaged in true political protest and activism while participating in LBGT and Black Lives Matter demonstrations.” Heffron observed that officers with the department who engaged in protests affiliated with left-wing causes have “suffered no suspension, and, in fact, no discipline whatsoever,” reports *lifesitenews.com*.

Isn’t it amazing that in Kentucky in the area most politically controlled by the pro-abortion Democrats, there is no tolerance for diversity of ideas? Freely willing to use their public position and power entrusted to them by the taxpayers, these pro-abortion officeholders sought to destroy a police officer’s career. They quickly settle when challenged in court. With taxpayers’ funds, they escape any financial harm to themselves.

OUR DUTY TO ELECT PRO-LIFE LEADERS

“Sooner or later, a nation based on a degraded notion of liberty - promoting tolerance but only of certain viewpoints - will not be worthy of its founding ideals,” teaches **Archbishop Charles J. Chaput**, then the **Archbishop of Philadelphia**, in his article “How Can Christians Build a Culture of Religious Freedom?”

“The right to pursue happiness, which is so central to the American experience, does not include a right to excuse or ignore evil.

“We ultimately get the nation we deserve, either through our diligence or our indifference. This is why every one of our elections matters. Voting is a moral exercise. We have a duty - not just a right, but a duty - to elect the best possible public leaders, and then hold them accountable to create good policies and appoint good judges.”

NORTHERN KENTUCKY RIGHT TO LIFE 2022 ELECTION CANDIDATE QUESTIONNAIRE

6-week-old unborn child
VOTE FOR ME

Pursuant to our long-standing policy of bringing to the public the views (and records) of candidates for public office, on these crucial "Life" issues, NKRTL sent questionnaires to candidates seeking office in the [election of May 24, 2022](#). After furnishing them detailed information concerning the issues, NKRTL advised them that their response (or the fact of their non-response, which could only be interpreted as unfavorable in that they either oppose its positions or are disinterested in these vital issues) would be published.

1. Will you actively support (and if in a position to do so, sponsor and vote for) a mandatory Human Life Amendment to the U.S. Constitution and to the Kentucky Constitution, which would codify the personhood of an unborn child from the moment of fertilization, and which would hold that all innocent human beings have the same right to life, from fertilization until natural death?
2. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which will make it a criminal offense to perform, to assist with, or to pay for an abortion on another (such legislation would not prohibit those necessary medical procedures required to prevent the death of the mother who is suffering from a physical pathology such as ectopic pregnancy or cancerous uterus)?
3. Will you actively support (and if in a position to do so, sponsor and vote for) legislation preventing: (a) the use of tissue and organs from deliberately aborted children; (b) the use or destruction of live embryos for the purpose of extracting stem cells, for transplants or medical experimentations; (c) human cloning, whether for the purpose of development and bringing to full term a new human being, or for the purpose of development of a new human being for experimentation, or for the purpose of obtaining body parts or stem cells; and (d) the public funding of any of these activities?
4. Will you actively oppose (and if in a position to do so, work against and vote against) state or federal legislation or regulation mandating health insurance coverage of abortion (both surgical and chemical) and artificial contraception, and will you actively support (and if in a position to do so, work for and vote for) the repeal of the Affordable Care Act (Obamacare), which provides for the expenditure of funds for the payment of abortion, and for the repeal of the Federal HHS Mandate, a federal regulation enacted under Obamacare, which requires employers, regardless of their religious convictions, to provide healthcare insurance, without additional premium and without a co-payment, for payment of contraceptives, sterilizations, and abortion-producing drugs?
5. Will you actively oppose (and if in a position to do so, work against and vote against) any legislation which would allow the withdrawal from an infant, incompetent, or comatose person of food and water, regardless of how the food or water is provided (except in the case where death is imminent and the patient cannot assimilate food or water)?
6. Will you actively oppose (and if in a position to do so, vote against) any legislation, administrative regulations, or initiatives of any type, which would decriminalize assisting or abetting someone in killing themselves (often referred to as "assisted suicide")?
7. Will you actively support (and if in a position to do so, sponsor and vote for) legislation requiring that the same medical treatment and the same standard of medical care be provided to handicapped persons, and that the decisions of whether to treat a handicapped person must be made on strictly medical grounds and not on speculations about the person's future "quality of life"?
8. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which prohibits all use of local, state, federal, and/or Medicare or Medicaid funds for abortion (including chemical abortions, such as RU-486, or the so-called "morning after pill," Norplant, Depo Provera, or the so-called "standard birth control pill")?
9. If there should come before you the question of appointment or confirmation of an individual to any board, agency, or committee, etc., which does or could perform, counsel, refer, or fund abortion (including chemical abortions, such as RU-486, and the so-called "morning after pill," Norplant, Depo Provera, and the so-called "standard birth control pill"), will you nominate or confirm only individuals (1) who refuse to perform, counsel, refer, or fund any surgical or chemical abortion and (2) who refuse to support, vote for, or fund any government or private agency that would perform, counsel, refer, or fund any surgical or chemical abortion?
10. If you become involved in the legislative process, would you take the initiative to compel a recorded vote on all Pro-Life legislation, whether by discharge petition or whatever other parliamentary practice is available?
11. Will you refuse to support in any manner a candidate for any public office, who publicly states acceptance of the current status of legalized abortion, or who fails to disclose his position on the issue of abortion, or who has, as a public official, a record of support for abortion or of failing to oppose it, or who supports any of the above anti-life activities, unless his opponents have done these same things as he has?

NKRTL-PAC ENDORSEMENTS AND/OR RECOMMENDATIONS

The long-standing policy of NKRTL-PAC regarding candidates for public office is clear and consistent:

1. NKRTL sends to each candidate a list of questions comprehensively covering the core sanctity of all innocent human life issues, with a detailed explanatory cover letter, explaining the Pro-Life position regarding each issue and the reasons and authoritative citations for such positions.
2. NKRTL explains that it will faithfully publish the candidate's responses, or non-responses, reserving the right to make an endorsement, or recommendation, or take no formal action at all.
3. NKRTL advises the candidates that a non-response can only be interpreted as unfavorable in that they either oppose the Pro-Life positions or are disinterested in these vital issues.
4. NKRTL publishes as much as it knows about the public record and statements of the candidates on these vital issues.
5. NKRTL never **endorses** a candidate unless his or her answers are 100% Pro-Life.
6. NKRTL sometimes makes a **recommendation** of a candidate, after a full disclosure of his positions, if his responses and record are not 100 percent Pro-Life but stand him materially above the other candidates.

Based upon these criteria, NKRTL-PAC publishes its conclusions and comments regarding the candidates in this primary and/or general election in Kentucky.

Northern Kentucky Right to Life Political Action Committee has issued **Endorsements and/or Recommendations** of some candidates in the **upcoming primary and/or general election**. These are based not only on the stated public positions of the candidates, including their answers to NKRTL's questionnaire, but also their past public records: Based upon the firm belief that what one has done is entitled to significantly more consideration than what one says ("By their fruits, ye shall know them...." Matthew 7:16), NKRTL undertakes herein to publish what it knows of the public record of these candidates, whether they are incumbents or those seeking office for the first time.

The gravity of the surgical slaughter of 3,800 innocent children each day (one every 24 seconds) – and the even greater number of chemical abortions – demands that we ask of every citizen, particularly those aspiring to public office: "What are you doing to stop the killing?"

If a candidate supported terrorism, would you bother to ask him where he stands on other issues???

NKRTL-PAC does not necessarily make Endorsements or Recommendations in every race. NKRTL-PAC never endorses a candidate unless he is 100% Pro-Life, with no exceptions. Sometimes, when NKRTL-PAC considers a candidate superior to the rest of the field, it will make a Recommendation, even though the candidate falls short of its 100% standard for Endorsement.

NKRTL must point out to the reader that some candidates take it upon themselves to modify our questions, thereby failing to answer them specifically, and indeed making exceptions of their own, while simultaneously attempting to answer "yes," to attempt to present a Pro-Life position. Since the candidate has not answered "no," and their response cannot be truly reported as "yes" after they have modified or imposed conditions of their own, NKRTL has appropriately reported those evasive answers with an asterisk (*). They failed to answer the questions as asked. Such action by the candidate deprives the voter of information on the candidate's position on the issues which the candidate avoided answering.

U.S. HOUSE OF REPRESENTATIVES

U.S. REPRESENTATIVE - 4TH DISTRICT

NKRTL-PAC endorses **Thomas Massie (R)** for reelection to the U.S. House of Representatives. Not only are his answers 100% pro-life to our questionnaire, but he has stood up for those who stand up for life and has supported the passage of much of our pro-life legislation in Washington, D.C., including, but not limited to (see below): *Life at Conception Bill*; *Heartbeat Bill*; *Pain-Capable Bill* (20 week bill); and *Conscience Protection Act*.

Rep. Massie was the first public figure to defend the students and chaperones from Covington Catholic in spite of the massive onslaught by the pro-abortion news media.

"I feel so blessed to represent a region that has an organization like Northern Kentucky Right to Life. This is the strongest pro-life group, not just in Kentucky, but one of the strongest in the country, oftentimes outshining the national organization, in fact," were the opening statements of Rep. Massie, who was the guest speaker at the 2019 Celebration for Life.

Pro-Life Bills Sponsored by Rep. Thomas Massie in the U.S. House of Representatives:

- ▶ No Taxpayer Funding for Abortion and Abortion Insurance Full Disclosure Act of 2019
- ▶ Heartbeat Protection Act
- ▶ Pain-Capable Unborn Child Protection Act
- ▶ Conscience Protection Act
- ▶ Life at Conception Act
- ▶ Defund Planned Parenthood Act

U.S. SENATE

Although **U.S. Senator Rand Paul (R)** has a pro-life voting record, and has spoken out against abortion, it is a disappointment that he has declined this year to respond to the NKRTL candidate questionnaire.

Three of the six Republican candidates for U.S. Senate responded 100% pro-life to the candidate questionnaire. Although NKRTL-PAC declined to make any endorsement of any one of these three candidates, the reader is encouraged to consider their commitment to the pro-life movement.

JUDICIAL CANDIDATES

Because there exists some confusion on what candidates for judicial office may state in regards to specific positions on public issues, NKRTL does not submit a questionnaire to judicial candidates, but rather requests that they respond in writing about any involvement they have in activities, organizational membership, and event attendance which "directly advance the Judeo-Christian principle of the sanctity of all innocent human life." Since this is a question of fact and not opinion, judicial candidates are free to respond.

With judicial candidates, NKRTL submitted to each candidate the following question:

"Please state the activities in which you have been involved, the organizations of which you are a member, and the events you have attended that directly advance the Judeo-Christian principle of the sanctity of all human life, which are under attack by the intrinsic evils of abortion, infanticide, and euthanasia."

KENTUCKY SUPREME COURT

NKRTL-PAC enthusiastically endorses the election of Joe Fischer. As a member of the Kentucky General Assembly for over 24 years, Joe Fischer, a Republican from Ft. Thomas, was the original author of over 30 pro-life bills, many of which under his sponsorship became law, such as the following:

- ▶ Fetal Homicide Law
- ▶ Pain-Capable Protection
- ▶ Complete ban on abortion if *Roe v. Wade* is overturned
- ▶ Fetal Ultrasound legislation
- ▶ Fetal Heartbeat Bill

Most recently, Joe was the primary author and sponsor of the "Yes for Life" Constitutional Amendment that will be on the ballot this November and will state: **"To protect human life, nothing in this Constitution shall be construed to secure or protect a right to abortion or the funding of abortion."**

For over 40 years, Rep. Fischer has been a contributing member of NKRTL, attended its Celebration for Life almost every year, spoken at seminars regarding pro-life legislation and advocacy, and has participated in the March for Life in Washington.

As a dedicated and consistent advocate for the rights of the unborn child, the election of the attorney and legislator Joe Fischer to the Kentucky Supreme Court is of utmost importance. Unborn children could not have a stronger advocate.

As in the past, **Michelle M. Keller**, currently Justice of the Kentucky Supreme Court, declined to respond to our letter. When she was initially appointed by **Governor Steven L. Beshear**, our then pro-abortion governor, she had a long public record of financial donations to stridently pro-abortion candidates for other offices.

In 2011, the **Kentucky Court of Appeals** reversed the **Jefferson District Court Judge David Bowels**, who had ruled that he had no proper jurisdiction to consider whether an Indiana girl had the right to have an abortion without parental consent, under the Kentucky judicial bypass provision. In this 2-1 decision, the then-Judge Michelle M. Keller voted with the majority (according to a LifeNews.com article on the Internet), to grant the right of the pregnant Indiana resident to have an abortion without parental consent.

On the other hand, **Judge Joy Moore** of Burlington, in her Dissenting Opinion, stated Kentucky judges have no "business making any decisions regarding a minor from another state seeking an abortion without parental consent. ...it is in the interest of the people of the Commonwealth that every precaution be taken to insure the protection of every viable unborn child being aborted."

COURT OF APPEALS DISTRICT #2

Judge Susanne Cetrulo, recently appointed by pro-abortion **Governor Andy Beshear**, and attorney **Robert A. Winter, Jr.**, both responded to the above question. Based on these responses, **NKRTL-PAC endorses the election of Robert A. Winter, Jr. to the Kentucky Court of Appeals District #2.**

BOONE COUNTY

BOONE CIRCUIT COURT, 54th CIRCUIT, DIV. 1

Eight years ago, **Judge Richard A. Brueggemann** was elected to the Boone Circuit Court. He was a supporter and very involved in **Northern Kentucky Right to Life**, **American Life League**, and the **Thomas More Law Center**, and indeed he was well known to all serious pro-lifers for his forthright and consistent and public advocacy of the sanctity of all innocent human life.

NKRTL-PAC strongly endorses the reelection of Judge Richard A. Brueggeman to the Boone Circuit Court.

BOONE FAMILY COURT, 54th CIRCUIT, DIV. 2

Of the two candidates, only **Keith A. McMain** responded to NKRTL's question. Based on his past pro-life efforts and activities, **NKRTL-PAC endorses attorney Keith A. McMain.**

CAMPBELL COUNTY

CAMPBELL CIRCUIT COURT, 17th CIRCUIT, DIV. 1

NKRTL-PAC endorses the incumbent, Hon. Julie Reinhardt Ward, based on her response, and more importantly on her support for NKRTL prior to becoming a judge.

CAMPBELL CIRCUIT COURT, 17th CIRCUIT, DIV. 2

NKRTL-PAC endorses the incumbent, Hon. Daniel J. Zalla, not only based on his response to the question, but more importantly on his long and strong record as a pro-life advocate, and his active support and membership in NKRTL.

KENTON COUNTY

KENTON FAMILY COURT, 16th CIRCUIT, DIV. 2

Of the three candidates, only Terri King Schoborg responded to our question, identifying some of her pro-life activities. NKRTL-PAC endorses the election of Terri King Schoborg to the Kenton County Family Court, Division 2.

KENTON DISTRICT COURT, 16th CIRCUIT, DIV. 2

NKRTL-PAC endorses the reelection of the incumbent, Hon. Kenneth L. Easterling, based on his response to our question and his past pro-life activities.

WORLDWIDE LEADING CAUSE OF DEATH: ABORTION

Based on data from the **World Health Organization (WHO)**, **Worldometers** (a website dedicated to providing global statistics on everything from money spent on phones to global death tolls) estimates 58.7 million worldwide deaths in 2021. However, Worldometers does not include deaths by abortion.

Also, according to WHO, in 2021 there were approximately 40 million to 50 million abortions, with about 3,000 abortions per day in the United States.

If deaths by abortion were included, approximately 42% of the worldwide deaths were the result of the intentional killing of an unborn child.

As determined by Worldometers, approximately 3.5 million individuals died from COVID worldwide in 2021. "There is considerable question as to whether those figures are accurate, as the CDC and state figures in the United States indicate a

sizable percentage of deaths from COVID aren't actually directly resulted from the virus itself, but are of people who had the virus at the time they died from some other cause. But assuming the figures are accurate, and not adjusting for overcounting, abortion is 12.17 times more deadly than COVID," notes *lifeneews.com*.

Worldometers also reports that 13 million died from communicable diseases, 850,000 died from water-related illnesses, 500,000 from the seasonal flu, 400,000 from malaria, 1.7 million from HIV/AIDS, and 1 million from suicides.

For all those whom God so loved that He created them, and who passed from this life in 2021, may God's blessing be upon them and those who loved them.
